Please join me at my table for a free
one-hour breakfast event celebrating
Healthy Community Initiative (HCI).

This is an opportunity to learn more about HCI's vital work, which supports thousands of children, youth, and families. It is also a fundraiser. You'll be asked to consider making a donation. There is no minimum and no maximum gift requested. We hope to inspire you to give and to help HCI continue to transform lives throughout our community.

I'd be delighted if you could join me!
